

Expert-led Beer Tours

All Our Beer Tours Include:

A tour of the best craft beer venues in the city.
A tutored tasting of a selection of beers from independent craft breweries.

Learn about:

- The history of the local beer scene
 - The history beer styles
- The ingredients make each beer unique.

Dive into the diverse world of modern beer styles during your expertly curated tasting journey.

If you'd like to add food to your experience, we can serve locally sourced artisan cheeseboards and lovingly created dishes from local street food vendors.
